Record Series #	Record Title and Description	Audit	Alternate Media	Archival Review	Vital Record	Confidential	Retention Policy		Disposition	Citation
							Total Retention Period	Minimum Period in Agency		
0006-0000	<p>Adult Protective Services (APS) Registry Case Investigation Record (Paper and Electronic)</p> <p>---</p> <p>Description: The registry file at the state level will include an (APS-2) Registration Form which contains referral and initial findings information, information regarding the alleged abuse, client name, address and other demographic information, and information on whether the case was accepted. The file also contains the (APS-3) Termination Record which documents services put in place, resolution of the problem, and the reason for termination. (There is a county APS program in each of the 21 counties. The primary APS Case Investigation Record is maintained at the county level and, in addition to the above documents, will include all paperwork that is created between the registration/initial findings and the case termination, documenting home visits, contacts, plan of care, legal documents, etc.) The state office receives this information in order to monitor and evaluate program effectiveness, and to prepare quarterly and annual reports of statewide activity.</p>						5 Years After termination		Destroy
